Here at Studio José de la O, we not only like to do a lot of different things, but we like to do them on a very different way. From developing creative strategies for companies like The Institute, designing great products for our brand delaO, exploring new territories of design with Cooperativa Panorámica or getting involved in amazing social and cultural ventures like The Chair that Rocks and Fuera de Contexto, we are a creative studio who doesn't know how to stay still.

That is why we are always on the lookout for proactive, dynamic and motivated creative professionals who like to take new challenges, keeping an open mind and learning new tools to create things that had been never seen before.

Do you think you have the skills?

We're looking for: **Full Time Studio Assistant Intern. (June-December 2016).**

We are looking for a dynamic, highly motivated product design intern to join us at our fast growing creative agency. **You will be working on a fun and creative environment, assisting us on a widely range of activities, like design development, production supervision, visual communication and research. You will be involved in projects related to Studio José de la O, Cooperativa Panorámica, The Chair that Rocks and Fuera de Contexto.**

**Candidates Must:**

- Demonstrate a strong desire to learn and contribute in a creative, collaborative environment.
- Be able to learn and experiment with new software and tools, both analog and digital.
- Be able to build mock ups, models and prototypes, with an attention for detail.
- Be proficient in Adobe CS (Photoshop, Illustrator, In Design) with a visual sensibility.
- Be proficient in CAD software (Rhinoceros, Sketchup and Luxology Modo is a plus).
- Basic knowledge on physical computing (Arduino, Raspberry, Processing, etc) is appreciated.
- Be able to communicate in Spanish and English, both written and spoken.

*Note: This vacancy is exclusive for students and recent graduates for a 6 months period. This is not a job vacancy.*
